* sy Hodges

My most embarrassing moment was at Colton High School It was after Cross Coun.

I went over to the tennis its there my sister and her best friend Dande were practicing. Well we were rewing around and I was wearing my run ning shorts, and they came off easy. All of the sudden, Dande grabs my shorts and pulls them down while the whole Girls' Tennis team was watching. They started to whistle and how! while I stool there in my underwear. Man I pulled them up so fast!

Craftsmen At Work

Where else on campus can you hear the driving of halls, the screeching of skill saws and the smell of wet paint? But of course the stagecraft classes Much time and effort goes into designing sets and backgrounds for the plays and musicals. Stagecraft does an excellent job in building the appropriate setting and finding the exact lighting for any play. For without stagecraft the show would not go on.

ASB Makes Changes That Lead To Tradition

Through the year of ASB, our main goal was to make the necessary changes to make the traditions in our school even better and more exciting. As we all know times change and so must tradition. Our biggest achievement was the successful can food drive, which collected over 3 000 cans of various foods. The food was given to the needy family at Christmastime through churches throughout the community. Other two changes were the homecoming and pep assemblies. Homecoming was very successful this year with the help of ICC president Lisa Ochoa. Pep assemblies were changed greatly with Gina and Lenore Perez in charge to help make them more spirited, and to have more student involvement.

ASB, headed by President Ed Buenrostro and served by Secretary Diane Molina and Vice President Sandy Torres worked hard to make this year a success

Cross Country Leads The Pack

A day at the C+F cross-country championships

under second year Coach Fred Campa, the Colton High Cross Country Teams soared into the C.B.L. standings once again. The boys team, led by a group of strong Juniors and Seniors, ran away with the CBL, title for the second year Strong performances by the Varsity Seven enabled them to upset the division 3A champs Barstow and the Orange County power feam, Mission Viejo After seeding second in CIF preliminaries, the team took their undefeated record of 10-0 into the finals There they finished as one of the top ten schools in division 4A big schools. Making all league were Ron Perez, Hew Smith, Ed Buerostro and Ernie Cisneros. The girls' team, led by a strong squad of Sophomores and Freshmen placed third in league standings with a record of 5-3 Making this one of the team's best seasons and forcasting that this is a team to be contended with in the future

what goes into being a wrestler Colton has many dedicated wrestlers. This season, Colton had a young team, with few returning juniors. Under head coach Wayne. Weeks, and assistants. Joe Trevino and Bill Webb. Colton was able to build a strong team and boost confidence, during there tough season. Do to lack of experience Colton placed third in CBL, but next year they plan to have a strong season, with many young wrestlers returning.

Tracksters Show Winning Form

Inspired by high goals set early in the season, this years 1983-84 track teams showed that they are contenders in the Citrus Belt League Under the coaching of Mr. Robin Luken, Mr. Fred Campa and Mr. Dave Salas the members learned to concentrate More on working together as a team. Strong individual performances raised the enthusiasm and spirit of the team throughout the entire season. The members worked long hours after school polishing their skills and striving to become better athletes. The key to success is hard work and alot of setf discipline.

Winning Motocross Team

After not having a motocross team for several years. Corton High has proved it can hold its own in high school motocross. The team of six highly dedicated guys had an exceptional year! This season the team competed against other local high schools on Friday nights at Corona Raceway Many of the team members also had individual competitions on Saturdays and Sundays All and all this added up to very busy weekends for these guys. The sport of motocross is an expensive, dedicating, time consuming hobby Coiton High's team members have shown the necessary qualities needed for the sport. With these qualities and their aspirations, they will go far They have surely proved themselves this season.

Speech

Minney, or grie Merg 19 ,

I BELIEVE IN THE FUTURE OF FARMING with a faith born not of words but of deeds — achievements won by the present and past generations of agriculturists, in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years

I BELIEVE THAT TO LIVE AND WORK on a good farm or to be engaged in other agricultural pursuit, is pleasant as well as challenging, for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I can not deny I BELIEVE IN LEADERSHIP FROM OURSELVES and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil

I BELIEVE IN LESS DEPENDENCE on begging and more power in bargaining, in the life abundant and enough honest wealth to help make it so — for others as well as myself, in less need for charity and more of it when needed, in being happy myself and playing square with those whose happiness depends upon me

I BELIEVE THAT RURAL AMERICA CAN AND WILL hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task

In Memory

Rose, a 1979 Eisenhower graduate and Crystal a 1982 graduate, both in Roth's class for three years, were so sadden by his death. "We had a lot in common with him." Rose said. I think we are speaking for a lot of people. He was a special, unique person and very taiented. He could do circles around ceramics, and was there when we needed him". "There was no such thing as you can't in his class Rose said.

The sisters both students at San Bernardina Vailey College, said the impact of his teachings is still with them effecting them not only artistically but personnally and encouraging them to forever move upward and onward in their lives

This year's honor students were very difficult to select because there were so many good students to evaluate, said Ms. Neatsey, Senior Counselor.

The students selected for honor represent about 3.5 percent of the class, a class whose overall scholarship has definitely improved over previous years' standings academically

1984 Co-Valedictorians

Co-Valedictorian. Liz Bustamante, graduating with a 40 G.P.A. has been very active in student government, varsity valleyball, varsity baseball, pep club, art club, key club, wrestlerettes, and CSF Liz has also received many honors and awards such as, principals honor roll, junior honor guard, who's who among amencan high school students, society of distinguished students, all league volleyball, most defensive player in softball, basketball homecoming princess, and the girls' state delegate. Liz plans to attend the California State College San Bernardino and major in business administration.

The other co-valedictorian is Mike Sogomonian. Also graduating with a 4.0 GPA, and a long list of activities he has participated in Mike has been on varsity basketball, a member of the varsity club. key club, boys forum, and is co-founder of the computor club. Mike has won such awards and honors as national honor society, junior honor guard, principals honor roll, Bank of America scholorship, Gemco scholarship, student of the month, and was the boys' state delegate. The covaledictorian plans to attend the University of California at Berkely. His pianned major is engineering. Mike stated that his motiviation to do well in school has come from his family

And Co-Salutatorians

Dana DeAntonio, co-salutatorian, Is graduating with a 3.97 G. P. A. The cosalutatorian hasn't participated in any outside activities, which explains why he has been on the principals honor roll all four years and maintained such an outstanding G.P.A. Dana plans to attend the University of California at Riverside and major in engineering. When asked if his grades come easy to him, Dana commented, "Yes, if I have homework, or if I have to study for a test that is the first thing I do when I get home "Dana said his motivation to do well in school is, "so I can make life better for myself and my family by getting a good education."

Kurt Knerr, co-salutatorian, also graduating with a 3.97 G P A. has actively participated in band, and is in national honor society. Kurt has received such honors and awards as principals honor roll, who's who among amercian high school students, junior honor guard, and the society of distinguished american high school students. The co-salutatorian plans to attend the University of California at San Diego, and plans to major in physics. When asked if grades came easy, Kurt replied, "I had to work and study allot to get the grade " Kurt also stated that his motivation to do well in school was selfachievement and recognition

CHANGES (con't)

I became less scared of the school and the students. Lam more responsible and independent. I hope to go to a theatrical university after graduation

-Francina Grant

I have learned how to handle problems better and how to get along with alot of people. When I was a freshman I didn't have many friends. So in my sophomore year I decided to make friends and get crazy. After I leave high school I want to go to college and become a psychologist for the disabled. The most memorable moment I had was watching the 1982 Pie Eating Contest

CHANGES (con't)

I changed my outlook on education. I'm more independent and more self-confident. I made Varsity Volleyball the first time I tried out when I thought I was going to get cut. I want to go to college and major in Computer Science. Also, I would like to continue in volleyball, if circum stances permit.

-Meissa Lopez

I've matured I'm more involved in my school studies. What brought about this change was when is Geography I was caught cheating. Mr. Weitzman said if I did get an A on the final I would fail the class so, I memorized the whole book. I want to go to UCLA to become an attorney. The time I most remember was when the band performed at the CIF play-offs at Anaheim Stadium.

When Mr. Roberson told me I was going to play first trumpet, that was really memorable. Also, when Mr. Dischinger said over the PA system that the band was invited to be in the 1985 Tournament of Roses Parade. It was also very memorable when the band was told that we were going to Hawaii.

SCHOOL SPIRIT

Football games, pep assemblies and cheerleading These words probably educed a couple of memories in your mind of fun, involvement and especially of school spirit. Close relationships, special feelings and experiences that make up the special spirit of CHS As in life, there is the good side then, the bad but, always the fun while doing it

Cheerleading motivated me

One bad incident was when I wore my cheerleading outfit on the wrong day

I want to make Varsity and also be Varsity Yell *leader*

Keep up the spirit

SPIRIT (con't)
When you're involved things are more interest-

I really enjoy playing basketball and last year I played on the Junior Varsity team. We really had spirit cheering for the Varsity team. We had fun I will talk to the students and try to get them involved in clubs and sports because it really builds school spirit.

-Jennifer Findling

When I first came to Colton everybody had school spirit. It looked like a total blast so I went for it. My incident was when I came to school with half of my hair crimson and the other half was gold.

My two goals while I'm in high school are to keep my school spirit alive and kicking and to meet Mr Micheal Jackson

SPIRIT (con't)
My brother was ASB President last year and he helped me get involved in school. We went to Arlington High to play softball. After the game while we were waiting for the tennis team, students from the other school started throwing rocks at us and were breaking the bus windows. I will talk to the students and tell them how much fun sports are and what being involved means.

Kim Burdell

When I came to Colton High I saw upper classmen have school spirit and that motivated me It is motivating when I sit in the ASB section and cheer the football team on. I think everybody should always go for school spirit. It makes school go by faster with alot of fun.

Mr. Eugene Owen Retires

Mr. Owens Retires

After 29 years of service to the teaching profession, Mr. Eugene Owens announced his plans for retirement after this school year.

Mr Owens, who has been an important person in school activities, always has school spirit if you have seen him around the campus you il notice his spirit because he often wears costumes for the holidays, not to mention being an auctioneer for ASB slave day

Mr Owens would like to move into a library and read all of the books that he has never read. He plans to work on and restore the thirteen antique automobiles which he has on his ranch. Another of his pastimes will be to take horses on his ranch.

From all of us on the yearbook staff and all the students at Colton High we wish you good luck on your retirement and we hope it is a long and enjoyable one

Mr Eugene Owens

Mr. Owens show his school spirit by participating in school events
